bon anniversaire

Vogue Living threw a stylish party to celebrate 40 years in publishing. Here's a quick snapshot.

...res mixing it up.

Food by JohnandPeter.

Friends of *Vogue Living* were invited to celebrate our 40th anniversary in B2 Studio's warehouse-style Sydney venue. Artecnic chandeliers and massed garden roses added colour to the all-white space. Taittinger champagne flowed, complementing exquisite food by caterers JohnandPeter.

Vogue Living guests celebrate in the studio space.

Guests took home Indian pink Vogue Living bags filled with goodies including Jo Malone 'Blue Agava and Cacao' fragrance, **BELOW**.
